Dear Sir:

The residual inventory shipped by you under Contract No. AF33(600)-36373 was received 29 April 1959. However, the following items were missing:

1. Item No. 37 - Surface Wave Antenna 1 ea.
2. Item No. 40 - Polystyrene Antenna 1 ea.
3. Item No. 17 - Female Coupling, NC-4427 3 ea.
4. Item No. 42 - 250 Millimeter Beaker 1 ea.

25X1A The 2' x 5' x 1/4" Plate Glass with ground edges was broken upon arrival. [REDACTED] indicated that the breakage was, in his opinion, due to improper packaging.

Please advise if the missing items were shipped separately. If the items were not shipped and you desire to retain the items please advise the purchase price and the amount being offered for same. Also, the purchase price of the broken glass. Credit for the missing or broken items can be shown on your claim you are preparing for the packing and shipping costs of the residual inventory.

Very truly yours,

Dan
